

# A Time of War

## (Version 2.02)

The following is a compiled rules errata for the first printing of *A Time of War*, as of 5 July, 2015.

### NEW ADDITIONS

Prior to this release there was no compiled errata for this product. All errata here is for the first printing (2010) of *A Time of War*. All entries are included in the 2015 second printing of this book. All page number references are for the first printing.

Please note that, in the interests of brevity, typo and minor formatting corrections that have already been corrected have not been listed, unless they affect an understanding of the rules.

#### \* Attribute Checks (p. 38)

*Under "Double Attribute Checks"*

"...or using INT and DEX to perform an action using an untrained Technician Skill."

Change to:

"...or using INT and DEX to perform an action using an untrained Forgery Skill."

#### \* Skill Checks Example (cont.) (p. 41)

##### 1) *First full paragraph*

"Franz's controlling player thus will receive a total roll modifier of +14. He rolls 2D6 and sees a 5 and a 4—for a roll total of 9. Adding the +14, the player finds the final result is 23. This means Franz succeeded in his untrained Stealth efforts by 5 points."

Change to:

"Franz's controlling player thus will receive a total roll modifier of +10. He rolls 2D6 and sees a 5 and a 4—for a roll total of 9. Adding the +10, the player finds the final result is 19. This means Franz succeeded in his untrained Stealth efforts by 1 point."

##### 2) *Last paragraph*

"Because Franz's Margin of Success (MoS) is higher than Ethan's, Frans slips by Ethan undetected."

Change to:

"Because Franz's Margin of Success (MoS) is lower than Ethan's, Franz's attempt to slip by is detected by Ethan."

#### \* Recovering Edge (p. 43)

*Second example, at the end of the example insert the following sentence:*

"*Caveat: If Jared rolls that 2, the fact that he already spent EDG points in advance to try and ensure his roll's success means that he will not be allowed to burn EDG again on the same action, not even for a reroll.*"

#### \* Independent (p. 63)

*Under Sub-Affiliations, Astrokaszy*

"...Streetwise/Periphery (+10 CP)..."

Change to:

"...Streetwise/Periphery (+10 XP)..."

**\* Notes (p. 63)**

*Third paragraph, at the end of the paragraph insert the following sentence:*

"If the extreme gravity rules are used, other effects on the character's Attribute maximums and costs will apply in character creation as noted in those rules (see pp. 237-238)."

**\* Notes (p. 73)**

*Under "Military Schools", "Military Academy"*

Add "Pilot/WarShip" to the list of available skills under the Special field.

**\* Fast Learner (p. 117)**

*First paragraph, second sentence*

"Fast Learner reduces the experience cost for Skills by 10 percent, both during character generation (see p. 85) and Skill advancement (see p. 333)."

Change to:

"Fast Learner reduces the experience cost for Skills by 20 percent, both during character generation (see p. 85) and Skill advancement (see p. 333)."

**\* Gremlins (p. 118)**

*Second paragraph, first sentence*

"A character with this Trait is so bad with machines that even his attempts to understand technological systems seem to bog down on the intellectual level, resulting in a 10 percent increase to the XP costs for raising or purchasing any Technician Skill."

Change to:

"A character with this Trait is so bad with machines that even his attempts to understand technological systems seem to bog down on the intellectual level, resulting in a 10 percent increase to the XP costs for raising or purchasing any Technician Skill after character creation."

**\* Slow Learner (p. 126)**

*First paragraph, second sentence*

"Slow Learner increases the experience cost for Skills by 10 percent during character generation (see p. 85) and Skill advancement (see p. 333)."

Change to:

"Slow Learner increases the experience cost for Skills by 20 percent during character generation (see p. 85) and Skill advancement (see p. 333)."

**\* Tech Empathy (p. 126)**

*First paragraph, second sentence*

"A character with this Trait can grasp the concept of operating technological systems faster than others, resulting in a 10 percent decrease to the XP costs for raising or purchasing any Technician Skill."

Change to:

"A character with this Trait can grasp the concept of operating technological systems faster than others, resulting in a 10 percent decrease to the XP costs for raising or purchasing any Technician Skill after character creation."

**\* Light Units Table (p. 135)**

- 1) Change "CPK-6 "Copper" SecurityMech [25]" to "CPK-65 Copper SecurityMech [25]"
- 2) Change "WI-DM DemolitonMech [35]" to "DemolitionMech [35]"
- 3) Change "SC Powerman LoaderMech [35]" to "SC Powerman HaulerMech [35]"
- 4) Change "CON-7 "Carbine" ConstructionMech [30]" to "CON-7 Carbine ConstructionMech [30]"

- 5) Change "KIC-3 Harvester Ant [20]" to "KIC-3 Harvester Ant AgroMech [20]"
- 6) Change "HVR-99 Harvester [30]" to "HVR-99 Harvester AgroMech [30]"
- 7) Change "GM-3A "Pompei" FireMech [15]" to "GM-3A Pompier FireMech [15]"
- 8) Change "MR-8C Marco [30]" to "MR-8C Marco ExplorerMech [30]"

**\* Medium Units Table (p. 135)**

Replace all instances of "Hyena SalvageMech [55]" with "HYN-4A Hyena SalvageMech [55]".

**\* Heavy/Assault Units Table (p. 135)**

- 1) Replace all instances of "Kiso [100]" with "K-3N-KR4 Kiso [100]"
- 2) Change "GUR-2G Gurkha [35]" to "LM-4/C Lumberjack [70]"
- 3) Change "RCL-4 Dig Lord [65]" to "RCL-4 Dig Lord MiningMech [65]"
- 4) Change "ATAE-70 "Uni" CargoMech [70]" to "ATAE-70 Uni CargoMech [70]"

**\* Specialties (p. 141)**

- 1) *First paragraph, last sentence*

"Sample specialties include "Lasers" for any Gunnery subskill..."

Change to:

"Sample specialties include "Energy" for any Gunnery subskill..."

- 2) *Second paragraph, last sentence*

"...while a Skill listed as "Gunnery/"Mech (Laser)" indicates that the character's 'Mech-based Gunnery Skill specializes in laser weaponry, rather than ballistic or missile weapons."

Change to:

"...while a Skill listed as "Gunnery/"Mech (Energy)" indicates that the character's 'Mech-based Gunnery Skill specializes in energy weaponry, rather than ballistic or missile weapons."

**\* Surgery (p. 155)**

*Third paragraph, second sentence*

"As a general rule of thumb, the Surgery Skill should not be used on characters who have suffered less than half of their total number of hit points in damage, or who have sustained any single injury greater than half the character's BOD score (rounded down, if individual injuries are being tracked)."

Change to:

"As a general rule of thumb, the Surgery Skill should not be used on characters who have suffered less than half of their total number of hit points in damage, or who haven't sustained any single injury greater than half the character's BOD score (rounded down, if individual injuries are being tracked)."

**\* Initiative [example text] (p. 166)**

*Replace the second and third paragraphs with the following:*

*Josef's player rolls 2D6 and gets a result of 5. Robert, thanks to his Combat Paralysis, must roll 3D6 and take the worst two dice, but lucks out with a final result of 8 in spite of this handicap. For the thugs, the GM rolls an 8 for the leader, a 4 for Thug #2 and a 6 for Thug #3.*

*The Initiative sequence is thus Robert and the Thug Leader at 8, Thug #3 at 6, Josef on 5, and Thug #2 at 4. Finding Robert's RFL of 6 higher than the thug leader's RFL of 5, the gamemaster determines that Robert can act before the thug leader, followed by Thug #3.*

**\* Initiative Table (p. 166)**

*Bullet point*

“\*To use Skill modifiers, Squad or Team Initiative rules must be in play. For Tactics, the appropriate Subskill is required; For both, the squad leader must be present, active and able to communicate with his troops to apply the modifier.”

Change to:

“\*To use Tactics Skill modifier, character must have appropriate Tactics subskill; Leadership Skill modifier cannot be applied unless Squad or Team Initiative is in play, and Squad Leader is present, active, and able to communicate with his troops.”

**\* Encumbrance (p. 170)**

*Under “Encumbering Items”, at the end of the section (before the example begins), insert the following new paragraph:*

For encumbrance purposes, a character’s effective strength when wearing battle armor increases based on the suit’s weight class and equipment (see Battle Armor Strength and Melee Modifiers Table, p. 216).

**\* Melee Combat Rolls (p. 175)**

*Bullet list, second item*

“If the attacker’s roll succeeds, but his MoS does not exceed the defender’s MoS, both attacker and defender suffer damage.”

Change to:

“If the attacker's roll succeeds, but his MoS does not exceed that of the defender, the defender may choose to either negate the attack entirely, or both sides will suffer damage.”

**\* Battle Armor Melee Modifiers Table (p. 216)**

1) Rename this table to “Battle Armor Strength and Melee Modifiers Table”

2) Under “Other Features”, insert a new line: Has Myomer Booster +0M / +12 +2 +2

3) Insert a new column, “STR Modifier”. All entries for this column are +0, with the following exceptions:

PA(L)/Exoskeleton (80-400 kg)	+1
Light (401-750 kg)	+2
Medium (751-1,000 kg)	+4
Heavy (1,001-1,500 kg)	+6
Assault (1,501-2,000 kg)	+8
Salvage Arm	+2
Cargo Lifter	+8
Has Myomer Booster	+4

4) *First footnote*

“\*Quadrupeds may only attempt charging melee attacks.”

Change to:

“\*Quadruped battle armor melee attacks are a special ramming strike that can be delivered in a 5-second turn. The damage from this attack is the sum of all relevant BDs for chassis type and weight, +1 BD per 5 meters traveled in the turn (round up).”

5) *Footnotes, at the bottom of the table insert the following new footnote:*

Note: STR Modifiers for battle armor apply only to encumbrance rules (see p. 170).

**\* Vehicular Stealth Equipment Table (p. 218)**

Under "Vehicle/Mech Stealth Systems"

1) After "Null Signature System", add "Void-Signature System 3/3/7+"

2) "Angel ECM 10/0/0"

Change to:

"Angel ECM 10/0/0++"

3) Add the following footnotes to the bottom of the table:

"†If the Void-Sig unit's ECM is disabled, its E/I/C Rating becomes 0/3/0"

"††If a unit with Stealth Armor uses an Angel ECM, use a 10/5/0\* rating instead. If a unit with Void-Sig uses an Angel ECM, use a 5/3/7 rating instead."

**\* Shifting Gravity (Acceleration) (p. 238)**

First paragraph, first sentence

"Page 35 of *Strategic Operations* addresses the risks..."

Change shots to 10.

2) *Grenade Launcher, Automatic*

Change shots to 20.

**\* Missile Launchers (p. 274)**

1) *SRM Launcher (Light)*

Change shots to 1.

2) *SRM Launcher (Heavy)*

Change shots to 2.

**\* Special Game Rules (p. 284)**

*Final paragraph, first sentence*

“For example, a standard automatic rifle with its default clip inflicts 4B/4B damage per shot; but with flechette ammo, the same rifle delivers 2B/5BS damage (AP 4B – 2B = 2B; BD 4B + 1S = 4BS).”

Change to:

“For example, a standard automatic rifle with its default clip inflicts 4B/4B damage per shot; but with flechette ammo, the same rifle delivers 1B/5BS damage (AP 4B – 3B = 2B; BD 4B + 1S = 4BS).”
