

BATTLETECH™

NAV CHECKPOINT

Welcome to the stunning universe of *BattleTech*! This amazing game and its immersive story will bring you endless hours of enjoyment in so many brilliant ways.

However, as your DropShip barrels through the atmospheric interface, and you're about to launch into a hot zone, you might wonder what you got yourself into. Looking for a nav point to orient yourself? Check out these tools!

LORE

Are you brand new to this universe? If so, dive into this free 16-page Primer for a quick overview of the *BattleTech* story and the major factions.

BATTLE OF THE BOXES

The *BattleTech* product line currently includes four box sets, and the *Mercenaries* Kickstarter unlocks a fifth one. But don't worry, they all build on each other. Our friends at *Game Trade Magazine* just published a cover article, "The Battle of the Boxes," in issue #277.

A PLETHORA OF RULEBOOKS

BattleTech is a big universe and expansive game, offering many different tabletop gaming experiences. The core rulebooks—just like the box sets—build off each other. You can keep things simple, or build a scenario you'll talk about for years!
